

# 3700 Goggles™

## The No-Fog Goggles From ProChoice®

For economic, efficient and comfortable eye protection, choose the 3700 Goggle™ from ProChoice® Safety Gear. Available in clear (3700) and smoke (3702), our eye-catching goggles are easily identified by their brightly coloured straps.

Certified medium impact resistant with an anti-scratch lens and certified splash protection, the 3700 Series Goggles are foam bound with an extra-wide strap for extreme comfort.
