MEETING THE STANDARDS

All WORKIT clothing complies to the requirements for Washability, meeting the Australian Standard (AS/NZS 2932:1999) for ease of access to labels and care instructions.

Fibre Content: AS/NZS 2622: 1999 standard guarantees fibre content in the material is correct and displayed in descending order.

Care for optimum work life: information given on a garment for care and handling is certified and passes AS/NZS1957:1998 requirements.
