& there's

**maXisafe**<sup>®</sup>

Experience crystal-clear stereo sound while you work, all with the unbeatable Class 5 protection that cuts noise by up 28dB+. Maxisafe HRE661-BT Bluetooth Earmuffs are designed to give you top-tier hearing protection combined with smartphone-enabled convenience. Because you deserve to feel great while doing your best work.

#### Features and Benefits

Delivers maximum protection in noisy environments, ensuring your hearing is always safeguarded.

#### Up to 30 Hours Battery Life (Bluetooth Mode)

Provides long-lasting performance, keeping you connected and protected throughout your workday.

#### Rechargeable Battery

Offers a convenient and eco-friendly power solution, so your earmuffs are always ready when you are.

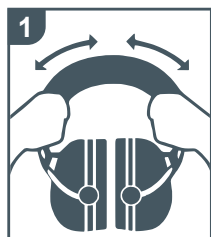

#### AUX Connectivity

Allows for wired audio connections when Bluetooth isn't available, giving you flexibility in your listening options.

#### Microphone for Calls

Lets you communicate clearly without removing the earmuffs, keeping you in touch and protected.

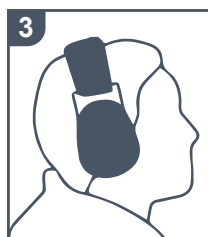

#### How to Use

1. Extend the headband before use. Place the ear cups over each ear, make sure the microphone in the forward position to obtain the best listening condition.

2. Adjust the headband by sliding the headband up or down to fit position.

3. The ear cushions should seal the ear firmly against the head. For best results, remove all hair under the cushion. Noise reduction will be adversely affected by anything that impairs the seals of the earmuff cushions against the head, such as thick spectacle frames, hats, etc.

**Product Code:** HRE661-BT

#### Importance of Australian Safety Standards

This product meets Class 5 Protection, SLC<sub>80</sub> 28dB certification.

Adhering to Australian safety standards is essential for effective and reliable hearing protection. The Maxisafe HRE661-BT Bluetooth Earmuffs are certified to AS/ NZS 1270:2002 making them ideal for high-noise environments when used correctly. Proper selection, usage, and maintenance are key to achieving the best noise reduction.

Discover the perfect combination of protection, convenience, and enjoyment with the new Maxisafe Bluetooth Earmuffs.

Stay safe, stay connected, and work with confidence.
